

>> miasma

you're the young man
full of hate, full of power
again he recognized
he prays to the wrong gods
who don't take care
and let him bleed
you're not a martyr - you're a victim
you're not a hero - you're a fool
you're not a martyr - you're a victim
you're not a hero - you're a fool
you're not a warrior - you're only flesh
you're the young girl
with the right doubts
again she has to learn
the lesson of honour
so painful and destructive
buried in the sand
and crying for mercy
the crowd gets louder
with every stone
that's hitting her head
you're not a human - you're only flesh
