

>> son of earth

you are the worm in his apple
you are the spoiler of his fields

Look, what you have done to her (unworthy piece of flesh)

She gave you breath
she gave you everything
she gave you birth, so painfully

you 're son of earth
you're the Flesh of her flesh

Why do you crave his mercy (little pile of bones)

He cares a damn for you
Like shit on his heel
He wants to get rid of your

flesh on bone
seed of his hate

I pity you (desperate creature)
condemned child
conceived in hatred
born out of rape

son of earth
flesh on bone
your prayers go unheard,
destroy the throne

son of earth
flesh on bone
your prayers go unheard,
destroy the throne
